Mount board and pre-cut mats are usually available at craft stores, art supply shops, and brand name stores.

Matting and/or mounting student artwork is required to showcase the talent of each student entry for public viewing. We suggest the use of a mat that has a minimum of two inches of border on all sides of the artwork. The frame must surround the entire canvas or matted area of the artwork. Wired, ready-to-hang “gallery wrapped” canvases are allowed if the painting includes the four sides of the canvas. Frames must be securely wired and looped through screw eyes in order to be hung without damage. Do not tape string as “wire.”

## GENERAL RULES

1. Please read the Plants and Flowers section in its entirety for correct divisions and classes as changes have been made. It is the responsibility of exhibitors to accurately register their entries prior to check-in. If an entry is misidentified or otherwise described as something it is not, it may still be displayed but will not be judged. For Kentucky State Fair purposes, all plants and flowers are considered horticultural because they are cultivated in gardens, orchards, or indoors as potted houseplants.
2. All horticultural exhibits will be accepted from 8:00 to 11:30 AM on the day before the Fair begins, Wednesday, August 16. Judging will start promptly at 1:00 PM.
3. Rose Show entries will be accepted from 9:00 to 10:30 AM on Saturday, August 20. Judging will start promptly at 11:30 AM.
4. Only Plants and Flowers workers are responsible for placing entries, including entries for the Roses Show. Entry tags are to be presented in numerical order to assist the check-in process. Exhibitors must keep their entry tag stubs to retrieve entries at the end of each show or provide a valid driver's license. Stubs are given as receipts and cannot be used for any other purpose.
5. Exhibits will be accepted as indicated at the beginning of each show. Entries will close promptly at the specified times. Late entries will not be judged but may be put on display.
6. Exhibitors are limited to one entry in each class unless otherwise specified.
7. Exhibitors whose entries have been accepted are required to present an exhibitor ticket or pay Fair admission. For information about exhibitor tickets, please refer to General Rules
8. For judging to begin promptly, all exhibitors must leave the exhibition floor as soon as their entries are placed and shall remain off the floor until judging is completed. Exhibitors are not allowed re-entry to the exhibition floor for any reason, including grooming, placement of trays, or rearranging exhibits.
9. For transparency and efficiency, a strict chain of custody shall be maintained by Plants & Flowers personnel. Exhibitors shall not place their own exhibits, change tag information, switch tags or make entries into any log. Should such transgressions occur, compromised exhibits shall be excluded.
10. Clerks shall not change information on tags, even at the request of exhibitors as they lack the authority to make such changes. However, if a tag is missing, the Plants and Flowers Supervisor and/or the Assistant Plants and Flowers Supervisor may handwrite a replacement for a clerk to initial and log in.
11. LIABILITY: The Kentucky State Fair will not be responsible for loss or damage to exhibits or personal property but will exercise utmost care for the protection of all exhibits.
12. JUDGING: will be done by trained Horticultural Judges and/or accredited Society Judges. The signature of at least one trained judge must be written on every Blue Ribbon exhibit card.
13. HORTICULTURAL JUDGING SCALE: judges assess all entries by the following parameters:
  - Conformance to type or class
  - Correct identification
  - Form, color, condition and grooming
  - Lack of blemishes
  - Maturity and size

- Grooming and staging
  - Distinctiveness or exceptional qualities
14. SWEEPSTAKES: This is awarded to the winner of the most Blue Ribbons. In case of a tie, Red Ribbons will be counted, followed by Yellow Ribbons if necessary. All entries are eligible.
  15. BEST IN SHOW: This will be awarded to one of the Blue Ribbon winners. Ribbons won for Best in Show, Best of Section or Best of Division do not count toward the Sweepstakes and are not to be entered on any entry form. An award and rosette will be presented to the exhibit judged the finest specimen in the Horticultural classes. The recipient is to be selected by the superintendent, the assistant superintendent or horticultural expert.
  16. An exhibitor winning First Place prize in any class is barred from exhibiting the same article in that class at any subsequent Kentucky State Fair.
  17. Ribbons and awards are not presented or publicly discussed until official tallies are complete. Exhibitor Responsibilities
    1. All submissions must have been the exhibitor's possession for at least three months. This includes exhibits of multiple plantings within the same pot.
    2. All exhibits shall be properly identified with names written at the top of entry tags. Please note: during judging, named varieties are given precedence over specimens that are clearly of the same variety but erroneously named or not named at all. The terms 'Dwarf' and 'Miniature' indicate varieties; 'stunted' or 'standard' do not.
    3. No live plants may be dyed or artificially colored in any fashion.
    4. No shining agents or other sprays on foliage will be permitted.
    5. No infested plants will be allowed or accepted. After submission, should an entry found to be infested, it will be quarantined without being judged. When possible, the exhibitor will be notified and asked to retrieve it.
    6. Plants should be planted in sterile potting soil, not yard dirt.
    7. Specimens should not be treated with anything other than soap and water.
    8. Watering requirements should be submitted in writing. If no watering is to be given, this information must be provided in writing as well.
    9. Grooming tables and carts will be provided at loading bay
  10. No exhibit or portion of an exhibit shall be removed from the show at any time. This will result in the loss of the premium associated with the winning exhibit. However, exhibitors are required to reclaim their exhibits when the Fair ends. Unclaimed exhibits and awards will be disposed of.
  11. Pots and containers shall be provided by the exhibitor. Small specimens should be shown in small, clear, colorless glass bottles or vases. Large specimens may be exhibited in any suitable plain or colorless receptacle. Names and addresses must be attached to the bottom of these containers unless returns are not desired.
  12. Unless otherwise instructed, all cut specimens will be disposed of by the end of the fair.
  13. Do not decorate pots with foil, paper, ribbons, trinkets or the like. However, Styrofoam or wooden stems/wedges may be used to keep cut specimens in upright positions.
  14. When submitting cut flowers, ensure no leaves or blooms are below water level. Remove floating debris.
  15. When choosing categories, be mindful of size and weight requirements. Unless otherwise specified, pot size for most exhibits cannot exceed 24 inches in height and width and overall weight cannot exceed 25 pounds. The specimen itself cannot exceed 3 feet in height or 2 feet in width. Plant height is measured upwards from the soil line which must be ½ to 1 inch below the pot's rim.
  16. Oversized specimens may measure 4 feet high and wide with containers up to 2 feet high and 3 feet across. The overall weight cannot exceed 50 pounds. For these submissions, the exhibitor may be asked to help put them in place.
  17. Tropical plants defined here as requiring USDA Zone 7 growing conditions and above. (Kentucky's climate ranges from USDA Zone 6 through 7A.)
  18. HORTICULTURAL EXCELLENCE in classes 1 through 199: Rosette & Award

## GENERAL RULES

All exhibitors: Please read the Textiles section carefully to avoid disqualification. There are changes in the rules and new classes.

- Exhibitors are limited to one entry in each class.
- Unless otherwise specified, any item entered in Textiles must be:
  - Handmade;
  - The work of the person in whose name it is entered;
  - Finished within the last five (5) years.

Exhibitors must certify the above by signing the space provided on the entry form.

- Items in this department must be made primarily of textiles. Only items entered in a class in the Textiles Department will be accepted and displayed.
- Many quilts are now made by two people: one person may piece the quilt and another person actually quilts the quilt. Two-person or group quilts can only be entered in those classes that specify two or more people. Group quilts or those made by two people are not permitted in any other class. Also, we accept items in this department with the understanding that the work has been done by the entrant(s), who agree(s) to be governed by Fair rules and regulations.
- EXHIBITORS WILL NOT BE ALLOWED TO REMOVE ARTICLES FROM THIS DEPARTMENT UNTIL MONDAY, AUGUST 28 AT 9:00 A.M. ANY ARTICLE NOT CLAIMED BY 7:00 P.M. ON MONDAY, AUGUST 28, WILL BE DISPOSED OF BY THE KENTUCKY STATE FAIR.

- All exhibits should be clean. Judges may penalize items that are not clean. Any article that is not up to standards in the class in which it is exhibited may be disqualified by the judge. If an item is disqualified in a class, it is not eligible for any other award and may not be displayed.
- An exhibitor winning first prize in a class one year is barred from exhibiting only that item in the Textile Department at any subsequent Kentucky State Fair. The exhibitor may enter that class again if in future years with a different item.
- If there are multiple articles in any exhibit (such as household items, ornaments, wearing apparel, etc.), they should be fastened together securely.
- The Textile Department will not act as a selling agency. No articles may be shown in this Department with a "For Sale" tag. Any sales must be between the owner and the prospective purchaser.
- No pictures will be accepted unless they are properly framed and fixed for hanging with screw eyes and wire. No saw-tooth hangers or easel back frames will be allowed. Items that are disqualified may not be displayed.
- Perimeter measurement refers to the measurement of all sides of an object. The perimeter is obtained by measuring the length of each side of an object and adding all the lengths together. On three-dimensional items, the measurement must also include the depth as well as the height and length.

12. Security is provided 24/7, Management will not be responsible for any loss or damage to any article. Every effort is made for due care, protection, and diligence in the handling of all entries received in the Textile Department.
13. Only Textile Department official workers will be permitted in the area during judging. The Textile Department would welcome your help on judging day if you do not have anything entered in the Textile Department. If you do have an entry, please help on
14. another day during the Fair. Where there is only one entry in a class, the first prize, if merited, will be awarded. Where there is competition, all prizes may be awarded so far as there are worthy entries. Where articles are not worthy of first prize, judges may, at their discretion, award a prize or prizes of such grade as the article deserves. Any article not up to Standards in the class in which it is exhibited may be disqualified by the judge.

# QUILTS

## DIVISION 4301

A Quilt is made of two layers of cloth with a layer of soft filling between them, then stitched together in lines or patterns through all the layers.

All quilts must have been completed within the last five years and must be clean and in good condition.

Quilts must have a sleeve (hanging sleeve) on the top back of the quilt large enough to accommodate a 4" rod. Both the top and bottom of the sleeve must be sewn on. Do not use pins. An instructional video may be found on the American Quilter's Society YouTube channel: <https://www.youtube.com/watch?v=bF81VRK4ilw>

Quilts without the proper hanging sleeve (no tabs) will not be judged or displayed. Place exhibitors tag at the bottom right corner of the piece.

If necessary, the quilt bottom will be pinned up to prevent it from touching the floor. The Management will not be responsible for any articles exhibited, but due care and diligence will be given in the handling of articles.

Please read the classes carefully and enter the quilt in the correct class for size, intended use, and techniques employed. A quilt may be disqualified if it is entered into the incorrect class.

The perimeter of a quilt is the measurement around all four sides.
