## HIPAA

**Ambulance Service Guide to HIPAA Compliance** - the “bible” of HIPAA compliance for EMS organizations. Includes ready-to-use, customizable model forms and policies.

**Ambulance Service HIPAA Privacy and Security Training Video** - just push “play” and your mandatory HIPAA training is done.

*The HIPAA Guide and Training Video can also be purchased as a specially-priced package, for a savings of \$40!*

### HIPAA Audio Seminars:

**HIPAA Breach Notification Rules** - covers the mandatory, new rules requiring you to notify individuals of data breaches.

**HIPAA 2009: Get Ready for Sweeping New Changes** - covers the info you need to comply with new HIPAA rules.

## Compliance

**Ambulance Service Model Personnel Handbook** - a ready-to-use and fully customizable set of EMS-specific employee policies.

**Red Flag Rules Survival Kit for Ambulance Services** - all of the forms, policies and explanations you need to establish an Identity Theft Prevention Program as required by the Red Flag Rules!

**Red Flag Rules Audio Seminar** - a 90-minute tutorial on how to prepare for the mandatory rules regarding Identity Theft Prevention Programs.

*This Red Flag Rules recording and the Survival Kit can be purchased as a specially-priced package.*

**H1N1 and the Law Audio Seminar** - be prepared to handle the legal and employment law ramifications related to an H1N1 outbreak.

## Documentation

**EMS Documentation Video Series** - a complete DVD training package for EMS documentation; *purchased as a package*. Series includes:

**Write it Right: Documenting for Better Billing** - covers important reimbursement-related documentation issues, such as signatures, medical necessity and more.

**Write it Right: Defensible EMS Documentation** - teaches critical skills for writing reports that can help prevent lawsuits, complaints and QA nightmares.

**Each video also includes complete handouts, slides and an optional post-test!**

## Billing & Coding

**NEW Ambulance Billing and Coding Desktop Reference Guide** - have all the important procedure codes, modifiers and concise explanations at your fingertips.

**Better Billing: The Ambulance Service Model Compliance Plan** - complete, ready-to-use, fully customizable compliance plan that follows the OIG Compliance Program Guidance for Ambulance Suppliers.

**Medicare Signature Rules Audio Seminar** - cut through the confusion and learn exactly what you need to obtain required billing signatures.

**ABC<sup>3</sup> Spring 2009 Video CD** - complete audio and video recording of the Spring 2009 Ambulance Billing, Coding and Compliance Clinic. Includes complete handout materials!
